December 2-3, 2023

Delegate Handbook

# LETTER FROM THE SECRETARY GENERAL

---

Dearest delegates and advisors,

My name is Laia Malburet-Breuil and I am beyond honored and thrilled to serve as the Secretary-General of BearMUN 2023.

It is my biggest pleasure to invite you to participate in BearMUN 2023, UC Berkeley's premier high school conference hosted by North America's 4th Model United Nations team in the country. On behalf of my Secretariat, I extend the warmest welcome for you to come and participate in our exciting two-day conference filled with debate, learning, and laughter.

The University of California at Berkeley and BearMUN's host team, UCBMUN, are a hub of leadership, innovation, and diversity. We have designed BearMUN 2023 to be the most educational experience for our high school students; they will be taught and trained by staffers handpicked amongst students in the top public university in the world. We want our delegates to succeed both in their MUN and college ambitions; for that reason, we have added exclusive additions to BearMUN 2023, and we cannot wait for you all to see what we have in store.

Whether you come to debate about FIFA politics, Women's rights, or even act as a Director of Hogwarts, you will find your place at BearMUN 2023. This year's committees will challenge delegates to think creatively and unconventionally like never before and propel them to grow to become more well-rounded, skilled people.

BearMUN 2023 is more than a conference; it's an experience. We hope that you choose to be a part of it on December 2–3, 2023!

Yours,

*Laia Malburet-Breuil*

# COVID-19 POLICY

---

- 1. All delegates will be required to show proof of a negative COVID-19 test taken within 72 hours of the start of conference.** We have a strong preference for PCR testing but will accept antigen tests as well. Tests must be taken 2/28-3/2 but we encourage delegates to budget at least 1 or 2 days to receive results.
- 2. Delegates Experiencing Symptoms of COVID-19**
  - a. Anyone displaying symptoms of COVID-19 will be asked to isolate and leave the conference, regardless of vaccination status.
  - b. Symptoms of COVID-19 include but are not limited to fever, loss of smell or taste, shortness of breath, sore or scratchy throat, headache, persistent cough, congestion, runny or stuffy nose, fatigue, and nausea.
  - c. Delegates who are experiencing symptoms are required to purchase and take two rapid COVID-19 tests. If the test is negative, delegates can return to committee session provided their symptoms do not get worse and they do not have a fever. Delegates will also be asked to notify the rest of their delegation and their chairs of these symptoms.
- 3. Protocol for Delegates Who Test Positive While At Conference**
  - a. Delegates who test positive for COVID must email [chiefofstaff@ucbmun.org](mailto:chiefofstaff@ucbmun.org) with their name, email, school, committee allocation, hotel room number (if applicable), head delegate or faculty advisor contact information, and roommate contact information.
  - b. After a positive test result, a delegate must isolate in their room and will be barred from attending UCBMUN events.
  - c. Roommates of a delegate who tests positive, as well as members in the committee, must also purchase rapid tests. If they too test positive, they will also be asked to isolate. If they are negative and asymptomatic, they can return to committee session but must secure separate accommodations and will be asked to continually monitor symptoms.
4. Failure for a delegate who tests positive to follow the appropriate protocol will result in that delegation being disqualified from any and all awards.
